## Garth Pig Practice Pig Production Training Courses

We believe that training is the key to both personal and professional development of your staff. This can only benefit you as an employer and give your employee a route of progression within your pig business. With that in mind and following requests from producers Garth are pleased to offer pig production training workshops for all farm staff.

Courses to be held at JSR Genetics Ltd, Southburn, Driffield East Yorkshire YO25 9ED.

Courses will commence at 10.30 am prompt, and finish at approximately 4.00pm lunch will be provided; as will tea and coffee during any mid-session breaks.

The details of which are shown below and on the enclosed leaflet.

| Course Topic  | Date   |

|   |  |
| Farrowing house management                                  | Tuesday 11 <sup>th</sup> October                               |
|   |  |
| Weaner and grower pig management                            | Tuesday 8 <sup>th</sup> November                               |
|   |  |
| Finisher pig management                                     | Tuesday 13 <sup>th</sup> December                              |
|   |  |
| Stockmanship and Welfare                                    | Tuesday 3 <sup>rd</sup> January 2017                           |
|   |  |
| Correct use of veterinary medicines                         | Tuesday 31 <sup>st</sup> January 2017                          |

Please could you fill in the attached form if you would be interested in attending or sending any of your staff and send back to Christine Watts at Garth Pig Practice.

We will be asking for a deposit of £50 per person, 50% of which is refundable on attendance due to the funding we have secured for the courses.

We look forward to welcoming you and/or your staff to the training courses.

Yours sincerely

Ian Carroll  
BSc (Agric).
